CLEAN INDIA CAMPAIGN 2021

Activity	Cleaning
Date	22 nd Oct'21 to 30 Oct'21
No of Participants	100

NSS Unit successfully conducted 'Clean India Campaign' from 22 Oct'21 to 30 Oct'21. In this activity, the team cleaned a vast area of approximately 5 K.M. and collected plastic and waste products. The volunteers also interacted with the shopkeepers and asked them to avoid plastic and to use dustbins regularly to dispose daily wastage.

The team also interacted with the Tamulichiga High School students and educated them about harmful aspects of plastic use. The team advised the students to minimize plastic use, properly dispose of non-biodegradable materials, use dustbins to dispose their daily wastage.

The team also interacted with the students of Tamulichiga L.P school and M.E School and campaigned about the harmful aspects of plastic and advised them to minimise the use of plastic.

In this cleaning program total 100 volunteers participated alternatively for successful completion of the program. The program was organized for total seven days.

The team interacted with the nearby shopkeepers and asked them to avoid plastic and to use dustbins regularly to dispose their daily wastage
