

Teachers' Feedback Analysis
Ghana Kanta Borah College, Tamulichiga, Jorhat
Session 2021-2022

The teachers are the prime pillars of any educational institution. The growth of any educational institution depends on the collective effort of its every stakeholder. In this regard, the Internal Quality Assurance Cell (IQAC) of the Ghana Kanta Borah College, Tamulichiga . Jorhat attempted to receive feedback from the faculty members of the college. A total of 14 faculties have given their feedback. The summary of their feedback is presented below -

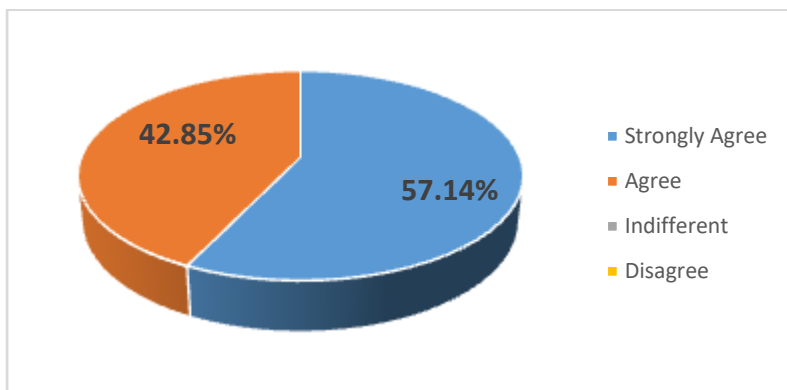

1. Courses were distributed after taking consent in syllabus distribution meetings and I am fully satisfied with my part of syllabus :

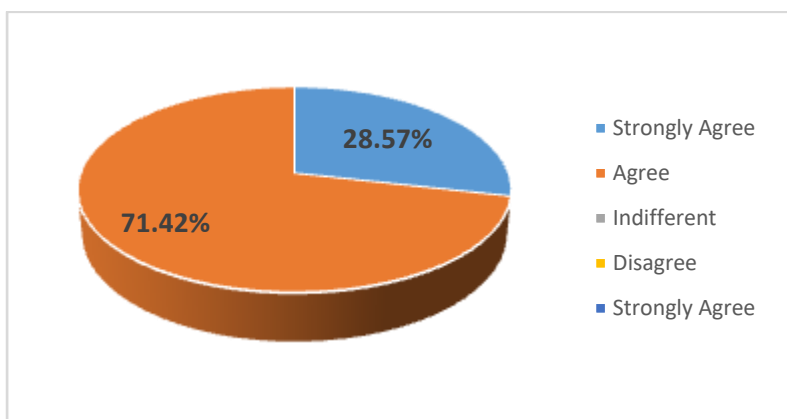

2. The courses / syllabus helped improve my knowledge , interest and depth in the subject /area :

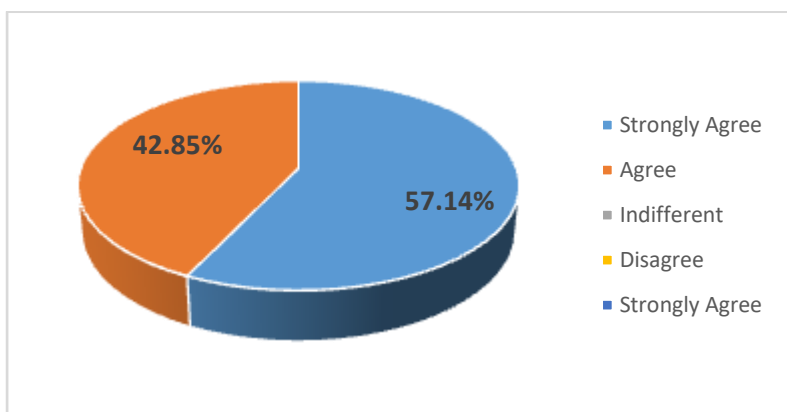

3. Tests were conducted with proper coverage of units in time and evaluating process was fair transparent :

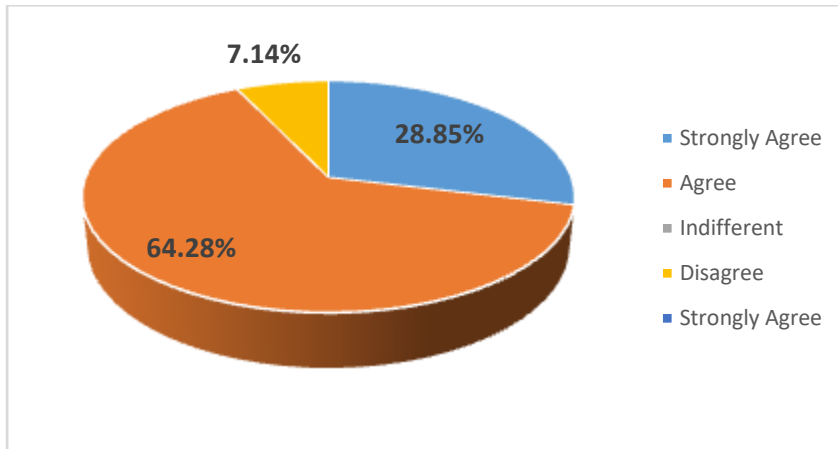

4. The courses / syllabi entrusted to me were fully covered and completed in time and students could fully comprehend them without any issue :

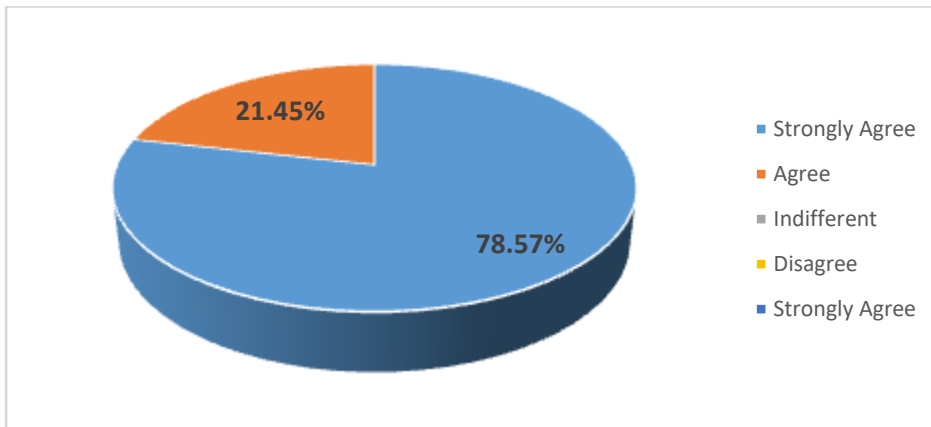

5. The atmosphere of the department , cooperation of colleagues and HOD were fully satisfactory :

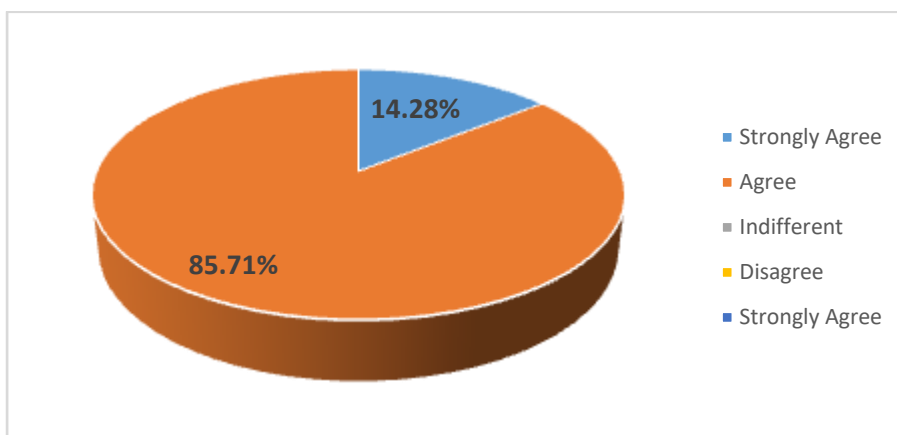

6. The college library has adequate learning resources as per need of the students and teachers :

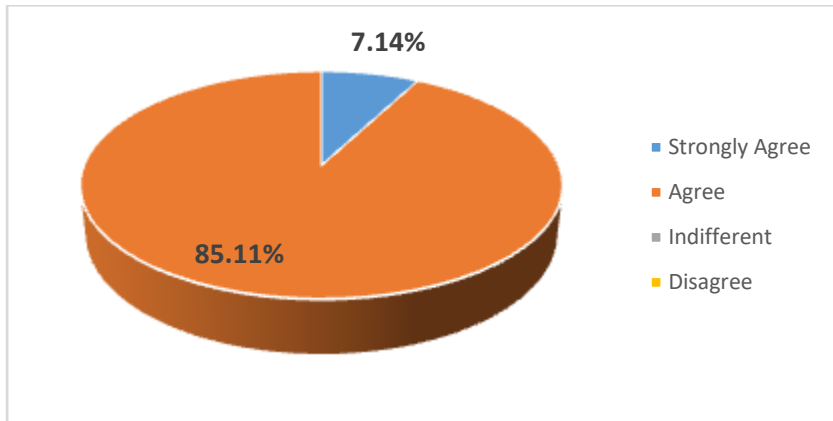

7. The Administration of the college is teacher friendly and supportive :

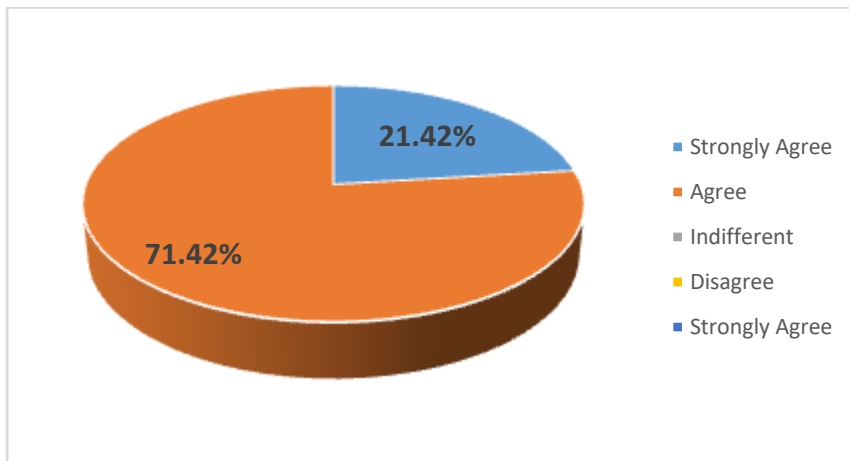

8. The college provides adequate environment and support to faculty members for research activities and up gradation of skills and qualification :

9. The teaching tools in the college, including ICT, are adequate and I made their optimum utilization curriculum transaction

10. College classrooms washrooms, canteen and campus are clean and well maintained

Suggestion given by the faculty members:

1. Library facilities should be upgraded to cope with the changing academic environment.
2. Overall facilities in the college are required in present context.
3. To improve of quality of teaching mechanism.
4. Need more ICT classroom.
5. Much amendment in infrastructure is needed.
